

## DEPARTMENT OF HUMAN SERVICES

MINNESOTA HEALTH CARE PROGRAMS (MHCP)

# Application for Certain Populations

### ■ What is this application for?

Use this application if everyone in the household who wants to apply for health care coverage meets at least one of these criteria:

- Is 65 years old or older
- Is blind or has a disability
- Is only requesting help with Medicare costs
- Is 21 years old or older, has no dependents, and has Medicare coverage
- Receives Supplemental Security Income (SSI)
- Is applying for Medical Assistance for Employed Persons with Disabilities (MA-EPD)

Use other applications for these purposes:

- If you are a person who lives in or may need to move to a nursing home, use the Minnesota Health Care Programs Application for Medical Assistance for Long-Term-Care Services (MA-LTC) (DHS-3531).
- If you have a disability or are 65 years old or older and would like services to help you stay in your home, use the Minnesota Health Care Programs Application for Medical Assistance for Long-Term-Care Services (MA-LTC) (DHS-3531). Also ask your county or tribal agency about a long-term-care consultation.

People who don't meet any of these criteria should apply for health care coverage through MNsure, Minnesota's health insurance marketplace. These include adults who are applying for coverage and have dependents under the age of 19, even if the adults otherwise meet the criteria for using this application. Use the online application at [www.mnsure.org](http://www.mnsure.org), or the Application for Health Coverage and Help Paying Costs (DHS-6696). Individual members of the household who are 65 years old or older, are blind, have a disability, or need access to home and community-based services will then receive a referral with a supplemental form to complete.

You can find these applications on the web at <https://mn.gov/dhs/health-care/paper-applications/> or have one mailed to you by calling your county or tribal agency. The phone numbers are listed in Attachment C.

### ■ What do I need to do with this form?

1. Read the Notice of Privacy Practices and Notice of Rights and Responsibilities in Attachment A. Tear them off and keep them.
2. Answer all questions on the application. If you need more space, write the number of the question and the answer on a separate piece of paper. Include it with the application.
3. Sign and date the application.
4. Attach proofs. **Send copies of proofs. Do not send original documents.**
5. Mail or take the application to your county or tribal agency. The addresses are listed in Attachment C.

Send in your application right away even if you do not have all proofs. We will contact you if we need more information.

### ■ Questions?

If you have questions or need help, call your county or tribal agency. The phone numbers are listed in Attachment C. If you are 60 years old or older, you can also call the Senior LinkAge Line® at 800-333-2433. If you have a disability, you can also call Disability Hub MN™ at 866-333-2466.

## **The information on this page can help you decide whether you want to apply for Medical Assistance, Medicare Savings Programs, or both.**

### **Medical Assistance**

- Coverage can begin three months before the month we get your application.
- Most health care services are covered, including doctor visits, lab and x-ray services, prescriptions, and hospital stays.
- Income limits (the amount of money you can have and still be eligible) may be lower than for a Medicare Savings Program.
- You may have copays for certain services.
- You can have other health insurance, even if it is through an employer. Help with payment of other health insurance may be possible.
- A claim may be placed against your estate for certain benefits you receive from this program.
- You may be required to choose a health plan and get all your health care services from providers in that plan.

### **Medical Assistance for Employed Persons with Disabilities (MA-EPD)**

- If you have a disability and work, you may be eligible for MA-EPD.
- To be eligible for MA-EPD, applicants 65 years old or older must have been determined disabled before age 65.
- MA-EPD has unique financial eligibility policies that may be beneficial for people nearing age 63.
- To be eligible, you must have earnings and pay FICA taxes.
- You must pay a monthly premium. The premium may cost less than other types of health care coverage.
- If you have retirement assets, you can keep and accumulate more of those assets.
- Contact Disability Hub MN at 866-333-2466 for help deciding the best program to meet your health care needs.

### **Medicare Savings Programs**

- These programs help pay for some Medicare costs. Three programs all pay for Medicare Part B premiums: Qualified Medicare Beneficiary (QMB), Specified Low-Income Medicare Beneficiary (SLMB), and Qualified Individual (QI).
- Payment of your Part B premiums can begin three months before the month we get your application.
- If you have income at or below 100 percent of the federal poverty guidelines (FPG), you may qualify for payment of both Medicare Part A and Part B premiums, and for payment of your Medicare deductibles and copays.
- If you are a qualified working and disabled individual with income no greater than 200 percent of the FPG, you qualify for the Qualified Working Disabled (QWD) program, which pays for the Medicare Part A premium.
- These programs allow you to have more assets than may be allowed by the Medical Assistance program.
- No claim is placed against your estate for benefits received from this program.
- You may be eligible for both Medical Assistance and the QMB, SLMB or QWD Medicare Savings Program.

### **Medical Assistance and Medicare Savings Programs**

- You may be eligible for both Medical Assistance and a Medicare Savings Program.
- Medicare Savings Programs pay only some expenses related to Medicare coverage.
- Medical Assistance members may be subject to Minnesota's estate recovery and lien program, but only for Medical Assistance services.

### **For more information:**

- Call your county or tribal agency. The phone numbers are listed in Attachment C.

I consent to the release of my Minnesota Health Care Programs health records to the parties listed in the Consent for Sharing of Medical Information section of the Notice of Rights and Responsibilities.

- I give the Medical Assistance agency our rights to pursue and get any money from other health insurance, legal settlements, or other third parties.
- I have read and understand that the state may claim repayment for the cost of medical care, or the cost of the premiums paid for care, from my estate or my spouse's estate.
- I understand that my information, and information about me shared from third parties, will be shared for fraud prevention investigations as stated in the Notice of Privacy Practices.
- If I am a parent that is eligible for Medical Assistance, I understand I may be asked to cooperate with the agency that collects medical support from an absent parent. If I think that cooperating to collect medical support will harm me or my children, I can tell the agency, and I may not have to cooperate. I give to the Medical Assistance agency the rights to medical support paid for my children.
- I understand that the assets owned by me in the last month I am eligible for MA-EPD, and, if allowed under law, the assets of my spouse, will be designated to my Employment Incentive Asset Account (EIAA). The assets designated to my EIAA will be disregarded if I continue my MA eligibility under the basis of a person age 65 or older if I have been enrolled in MA-EPD for 24 consecutive months and did not become ineligible for MA for a calendar month or more before my 65th birthday.

Tell us what you want us to do, and we will follow your instructions. If you are not able to tell us your preference, for example, if you are unconscious, we may go ahead and share your information if we believe it is in your best interest. We may also share your information when needed to lessen a serious and imminent threat to health or safety.

**What privacy rights do children have?**

If you are under 18, when parental consent for medical treatment is not required, information will be provided to parents only when the medical provider believes that your health is at risk if the information is not shared. Parents may see other information about you and let others see this information, unless you have asked that this information not be shared with your parents. You must ask for this in writing and say what information you do not want to share and why. If the agency agrees that sharing the information is not in your best interest, the information will not be shared with your parents. If the agency does not agree, the information may be shared with your parents if they ask for it.

# Notice of Rights and Responsibilities

## Changes

If you have MA, you must report a change within 10 days of the change happening. Call your county or tribal agency to report the change.

If you do not report changes, you may have to pay money back to the state or federal government for benefits that you received but were not eligible for. If you are not sure whether to report a change, call and explain what is happening. Examples of changes you need to report include the following:

Income changes when you

- Start a new job, change jobs or stop a job
- Start to get, or receive changes in the amount of, other income like Social Security, other retirement income and unemployment

Residence changes when you

- Move to a new address

Life changes in your household when someone

- Starts or stops other health insurance or Medicare
- Becomes pregnant or has a baby
- Moves in or out of your home
- Changes tax filing status
- Loses Minnesota residency
- Changes citizenship or lawful presence status
- Changes incarceration status
- Dies, gets married or gets a divorce
- Becomes disabled

## Reviews

The state or federal agency's health care program auditors may look at your case. They will review the information you gave us and check to make sure we processed your case correctly. They will let you know if they need to ask you questions.

## Consent for Sharing of Medical Information

In your application for Minnesota Health Care Program coverage, you have given your written and signed consent to the following agencies and people to share between them medical information about you only for the limited purposes indicated:

- Health providers, including health plans, insurance agencies, Minnesota Health Care Programs, county advocates, school districts, your county or state case workers, and their contractors and subcontractors, for these purposes:
  - To determine who should pay for your health care
  - To provide, manage and coordinate health care services
- All other agencies or people listed on this Notice of Privacy Practices and Notice of Rights and Responsibilities, for this purpose:
  - To administer Minnesota Health Care Programs, pay for services, and conduct research and investigations

This consent applies to medical information about your minor children you applied for on this application.

You can stop this consent at any time by asking in writing for it to end. The written notice to stop this consent will not affect information the agency has already given to others. This consent is good while you are enrolled in Minnesota Health Care Programs, up to one year or longer if the law permits.

However, it does not end after one year for records given to consulting providers or for payment of your bills, fraud investigations or quality-of-care review and studies.

An agency or person who gets your information through this consent could give the information to others.

If you end this consent, you cannot enroll or stay enrolled in Minnesota Health Care Programs.

## Other Health Care

You and your household members enrolled in MA must tell us about any other health insurance that you have or that is available to you, including employer-sponsored coverage, private health insurance, long-term-care insurance, and any limited health coverage, such as dental or accident coverage. You must tell us whether your employer offers insurance and whether you accepted it.

You and your household members enrolled in MA may need to accept and keep a health insurance policy when the policy is found to be cost effective. If you have a good reason for not doing that, you may ask the state to approve the reason. If you do not give us information about your health insurance policy, you may not get coverage.

You must also tell us when you become eligible for Medicare. MA pays for the Medicare premiums of some low-income people. Once you are eligible for Medicare Part B and Part D, MA will no longer pay for services that could be covered by a Medicare program.

## MA Medical Support

If you are applying for yourself and your children and you do not live with the other parent, the law says you may have to give information to child support staff if both you and your child are eligible for MA. This includes helping the state prove who the father of your children is and helping the state to get the other parent to help pay the children's medical expenses. If you do not help child support staff, your children will still get coverage, but your coverage will end, unless you are pregnant.

If you are afraid the other parent may cause harm to you or your child, you can give your county or tribal agency proof to support your fears. The agency will review your proof and tell you whether you still must give information to child support staff.

## Assignment of Medical Payments

By accepting MA, you give your rights to all medical payments for yourself and anyone else you apply for to the state of Minnesota. These include medical payments from all other people or companies, including medical support payments from an absent parent. This assignment of medical payments begins as soon as health care coverage starts. For MA for Long-Term Care, this includes your right to support from your spouse under Minnesota Statutes, section 256B.14, subdivision 3.

You also agree to help the state get paid back for medical expenses that should have been paid by others. You may not have to help the state if you have a good reason for not helping and the state approves the reason.

## MA Estate Claims and Liens

In certain circumstances, federal and state law require the Minnesota Department of Human Services and local agencies to recover costs that the MA program paid for its members health care services. This recovery process is done through Minnesota's MA estate recovery and lien program.

If you are enrolled in MA when you are 55 years old or older, then, after you die, Minnesota must try to recover certain payments the MA program made for your health care, including:

- Nursing home services
- Home and community-based services
- Related hospital and prescription drug costs

If you permanently live in a medical institution, Minnesota must also try to recover the costs of all MA services you receive at any age while living in a medical institution. If you are permanently living in a medical institution and you do not have a spouse or disabled child living on your homesteaded real property, the state may file an MA lien against your real property to recover MA costs before your death. However, MA members who qualify for services under modified adjusted gross income (MAGI) eligibility criteria are not subject to recovery for services received before the age of 55.

After you die, the state also may file a notice of potential claim, which is a form of lien, against real property to recover MA costs. Liens to recover MA costs may be filed against the following:

- Your life estate or joint tenancy interest in real property
- Your real property that you own solely
- Your real property that you own with someone else

Minnesota cannot start recovery of these costs while your spouse is still living or if you have a child under 21 years old or a child who is permanently disabled. Once your spouse dies, Minnesota must try to recover your MA costs from your spouse's estate. However, recovery is further delayed if you still have a child who is under 21 or permanently disabled.

Your children do not have to use their assets to reimburse the state for any MA services you received.

You have the right to speak with a legal-aid group or a private attorney if you have specific questions about how MA estate recovery and liens may affect your circumstance and estate planning. The Minnesota Department of Human Services cannot provide you with legal advice. For more information, go to <http://mn.gov/dhs/ma-estate-recovery/>.

## You Have the Right to Ask for a Hearing

If you feel your health care eligibility or benefits are wrong or your application was not processed correctly, you may ask for an appeal hearing. By requesting an appeal hearing, you are requesting a fair review of your case. You can represent yourself or use an attorney, advocate, authorized representative, relative, friend or other person. You will find specific appeal instructions on all eligibility notices that you receive. Learn more about the appeals process and how to ask for a hearing at [www.dhs.state.mn.us/appeals/faqs](http://www.dhs.state.mn.us/appeals/faqs).

You can complete and submit an appeal request online at <https://edocs.dhs.state.mn.us/lfserver/Public/DHS-0033-ENG>.

You can also print the form that is available at the address above and submit the completed form by fax to 651-431-7523 or by mail to this address:

Minnesota Department of Human Services  
Appeals Division  
PO Box 64941  
St. Paul, MN 55164-0941

## Immigration

Immigration information you give to us is private. We use it to see whether you can get coverage. We share it only when the law allows it or requires it, such as to verify identity. In most cases, applying will not affect your immigration status unless you are applying for payment of long-term-care services.

You do not have to give us your immigration information if you are a pregnant woman living in the United States without the knowledge or approval of the United States Citizenship and Immigration Services (USCIS). You also do not have to give us your immigration information if you are:

- Applying for emergency medical care only
- Helping someone else apply
- Not applying for yourself

## Genetic Information

DHS does not collect, maintain or use genetic information for purposes of eligibility.

## Record Retention

Information provided in an application for coverage through DHS is subject to the False Claims Act and may be kept for up to 10 years. DHS follows the general records retention schedules for state agencies and for the Department of Human Services and maintains data according to state and federal law. After the appropriate time period, DHS destroys the data in a way that prevents their contents from being determined, including by shredding paper files and permanently removing electronic data so as to prevent recovery.
